

Ah Lord God

Ah Lord God, Ah Lord God
Behold thou hast made the heavens
Ah Lord God, I stand in awe Lord God
For thou hast made the earth

Chorus

With Your mighty power
And outstretched arm
Nothing's too hard
For You my King
So I trust in Your might
And rest in Your love
To rescue me
And meet my deepest need

Oh Lord we worship You Lord
Oh God our God, we stand in awe
Oh Lord Your name we adore
Oh God our God, we stand in awe
