

All About Your Glory

I wanna make my life all about Your glory
I wanna spend my days telling the world Your story
In everything I do, in everything I say,
Following after You, giving You thanks and praise

I wanna make my life all about Your honor
Morning noon and night, my best I want to offer
In everything I do, in everything I say,
Following after You, giving You thanks and praise

Bridge

Make me an instrument, make me a song of praise
Make me a shining light that radiates Your ways
Make me Your masterpiece, Lord put me on display
That I may ever be a picture of Your grace

Chorus

Your glory, Your honor
That's what I want my life to be all about
Your goodness, Your kindness
Your life in me ever reaching out
Your mercy, forgiveness
That's what I want my life to be all about
Your love and Your power
Your life in me ever reaching out

Ending

Make me an instrument, make me Your song of praise
