

Amen

By Tommy Walker

To the way You give Your love
To the way You give Your joy
To the way give Your perfect peace
Amen

To the way You show Your grace
To the way You've set me free
To the way Your blood, it cleanses me
Amen

Chorus

Amen, amen, amen, amen

To the way You gave Your life
To the way You rose again
To the way Your Spirit lives in me
Amen
To the way You hold me close
To the way You never leave
To the way someday You'll come back for me
Amen

I Thank You Lord for life and strength
I thank You now for brand new mercies and grace
