

# **Break Through**

By Tommy Walker

Break through, break through all my doubts  
Break through, break through all my fears  
Break through that I may worship You

Break through, break through all my pain  
Break through, all my guilt and my shame  
Break through like only You can do

## **Bridge**

You are brighter than my darkest night  
Stronger than my toughest fight  
Just one touch from You my King, my  
friend  
And I'll never be the same again

Break through, break through [repeat]
