

Calling Out To You

Lord, You have told us,
Lord, You have promised
That if Your people would pray
That You would hear from heaven,
You would send Your mercy and
Touch us with Your strong, healing hand

chorus

So were calling out to You,
Crying out to you,
Forgive us of our sin, heal our land
As we seek your holy face,
We turn from all our wicked ways
Hear from heaven even now as we pray

Hear from heaven even now *[repeat]*

2 Chron. 7: 14

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and will heal their land.
