

Everlasting Arms

Father God, You are my help,
And my security,
And underneath
Are Your everlasting arms

Though the days may be dark,
And my eyes cannot see You,
I know that underneath
Are Your everlasting arms

Chorus

I, I will forever give You thanks
For the care You've given me,
You promised You would never Leave me
You, You always catch me when I fall,
You shelter me from harm,
I put my trust in Your
Everlasting arms
