

## Everyone Arise {Isaiah 60}

Everyone arise and let it shine  
Children of our God, your light has come  
For the glory of the Lord and beauty of His grace is  
Rising on you now

Though the darkness covers all the earth  
They will see your light, they will hear the sound  
For the glory of the Lord and beauty of His grace is  
Rising on you now

### Chorus

Praise Him, Praise Him, Praise Him  
Arise and shine and celebrate Him  
Praise Him, Praise Him, Praise Him  
Let His glory rise on you and

Praise Him, Praise Him, Praise Him  
Arise and shine and celebrate Him  
Praise Him, Praise Him, Praise Him  
Let His glory rise on you, let it rise

### Bridge [women only unison]

There's just something so right  
About lifting His name on high  
It brings us joy and peace of mind when we  
Give our lives to glorify Him
