

## HAPPY BIRTHDAY JESUS

Happy birthday, happy birthday  
Not with a cake but a song of praise  
We say happy birthday to You

Happy birthday, happy birthday  
With hearts of joy and thankfulness  
We say happy birthday to You

This is the gift we bring  
This is our offering  
We give our lives to serve and honor You

This is Your birthday bash  
Were giving You the best we have  
Take joy our King in all we say and do  
Cause it's all for You
