

Here I Am Again

Here I am again just looking
For the words that help me say that
My heart is full of love and praises
I must have prayed a thousand prayers
And sung a hundred songs but
I just have to say again

chorus

Oh how I love You
More than words can say,
In the deepest heartfelt way
Oh how, Lord I love You
Once again receive my praise

So many words, so many songs,
So many melodies yet
Allow me one more declaration
You are the lover of my soul
The center of my life
So I just have to say again

vamp

Thank You for a brand new day,
A brand new chance to stand and say I love You

Help me find the words to say that
Tell You in a brand new way, I love You
