

I'll Never Stop Believing

I'll never stop believing, I'll never stop believing
I'll never stop no, You'll be my God to the end

I'm holding on and singing, Your love I'll keep receiving
I'll never stop no, You'll be my God to the end

Bridge 1

And when I'm walking through
The valley of the shadow of death
I'll fear no evil there
'Cause Your sweet comfort and
Peace we'll share

Bridge 2

When questions flood my mind
I'll go deeper to that secret place
Where Your spirit speaks to mine
That I'm Your child, what joy I find

Chorus

There's nothing, no place
As precious as this hope in me so true
There's no one, no where
That can still away this love I've found in You
I always will protect this treasure,
This gift of faith I've found in You
