

I'm Going To Bethlehem

By Tommy Walker

I'm going to Bethlehem
To see the one that the Father sent
Where my hope and salvation lays
From heavens throne, for me He came

I'm going to Bethlehem
To see the one the angels ushered in
Eternal life and peace He brings
I can't wait to bow to Him

Through the mountains and valleys low
Nothing can stop me, I have to go
He's the one I've been looking for
Jesus Christ the Lord

Chorus

Lord I'm coming, I'm running
Coming to be where You are
I am bringing my praises
I will give to You my heart

I'm going to Bethlehem
Now it's a place I can find within
Where my Savior calls out to me
To find my life and joy in Him

Chorus

Lord I'm coming, I'm running
Coming to be where You are
I am bringing my praises
I will give to You my heart

Through the mountains and valleys low
Nothing can stop me, I have to go
He's the one I've been looking for
Jesus Christ the Lord
