

In The Light Of Your Glory And Love
By Tommy Walker

All the things that seemed so big now look so small
My selfish dreams I held so high, I let them fall
Now that I have tasted and have seen who You are
I let go now, I give You my all

Chorus

In the light of Your glory and love
In the light of Your beauty and grace from above
I consider all things of this earth only loss
In the light of Your glory and love

Verse 2

So many are the fears that were controlling me
So many voices calling me away from Thee
Just give me Your presence and Your grace from the cross
It's to You I cling, I give You my all

Bridge

I give my love, I give my life to You forever
No one compares to You my precious Lord my Savior
