

## **It Will Be Worth It All**

It will be worth it all someday,  
It will have been worth it to go  
The straight and narrow way,  
When we finally see His face  
And feel His strong embrace  
It will be worth it all that day

These present troubles don't compare  
To all the glory our God, He has prepared  
And when we finally see His face  
And feel His strong embrace  
It will be worth it all that day

I can hear the angels celebrate as He calls  
My {your} name  
I can hear the Father say well done  
My good and faithful servant, well done  
And it will be worth it all,  
It will be worth it all someday
