

No Greater Love

There's no greater love than Jesus,
There's no greater love than He gives
There's no greater love that frees us
So deep within

Bridge

All the worlds empty treasure will soon pass away
But His love will last forever
In my heart it will remain

CHORUS

We praise Your name stand in awe of
Your never-ending love
Love so great that it covers
All my sin and shame
No greater power there is no greater force
In all the earth than the strength of His love
