

Only You

By Tommy Walker

I will give You praise
I will sing Your song
I will bless Your holy name
Your holy, holy name
For there is no other God
Who is like unto You
And You're the only way
The one and only way

Only You
Are the author of life
Only You
Can give the blind their sight
Only You
Are called Prince of Peace
Only You
Promised You'd never leave
Only You are God

Only You are God
Only You are God
Only You alone are God
