

Pass It On [from Psalms 145]

By Tommy Walker

Every generation, they will tell their children
Of Your awesome power and Your mighty acts
They will tell the stories of Your faithfulness and glory

And we will pass it on to all who've yet to come
How You've been slow to anger and oh so rich in love
That all may celebrate the wonders You have done

Chorus

Giving you glory, honor, blessing and praise
Together we'll pass it on, the greatness of Your ways
Giving you glory, honor, blessing and praise
Together we'll pass it on, the greatness of Your name

Indescribable are all Your righteous deeds
Incomprehensible is your unrivaled power
And all Your promises will stand eternally

Upholding those who fall, uplifting those bowed down
You are near to all, when it's to You we call
So we now shout Your name, we celebrate Your fame
