

Revival Down In My Heart

By Tommy Walker

Revival down in my heart,
That's what I long for,
Is a brand new start
There is a fire
That is consuming me,
To have revival
In my heart for Thee

It's a new day,
Give me a new way to tell You
How much I love You,
I really do, I truly love You

It's a new season,
Show me a new way of bein'
A true soldier of the cross,
Fighting for You
